

We at **DeJong Septic** realized some time ago that there was a need for clean, neat, and sanitary portable restrooms within our service area.

As a result, we are proud to offer our customers with several options:

- Construction units with toilet, urinal, and hand sanitizer
- Flush units with sinks, hand soap, and paper towels
- Hand washing stations
- ADA-compliant, handicap-accessible units
- Family-friendly units with baby changing station

Rental Information

- Daily, Weekly, and Monthly rentals
- Weekly servicing with monthly rentals
- All units are fully equipped with necessary supplies
- Construction sites, parties, weddings, picnics, campgrounds, etc.
- Flush units and hand washing sinks available
- Units available with hand sanitizer or sink, hand soap and paper towels
- ADA-compliant, handicap-accessible units, family-friendly units with baby changing station
- One construction unit will accommodate **10** workers in a **40-hour** work week
- Each unit and wash sink accommodates approximately **80-100** guests
- When choosing a location for your unit, keep in mind it must be 10 to 15 feet from a road or driveway so we can do the necessary cleaning

Rental Options

Construction & Fleet Units

Portable restrooms for these purposes can include:

- a toilet and urinal, or,
- a toilet, urinal, and hand sanitizer.

Also available are units that include flush capability and a sink with hand soap and paper towels.

Basic and Flush Units

Our units help you to accommodate employee needs.

Washstands

We provide hand washing stations with 24-gallon fresh and gray water tanks that are sufficient for small events or work sites, as well as stations with 45-gallon fresh and gray water tanks that can accommodate high-traffic use.

24-Gallons

45-Gallons

Add a free-standing wash stand or two to your portable restroom order to accommodate everyone at your event or worksite.

Private Party Units

Whether you are hosting a wedding or a family reunion, a birthday bash or summer barbeque, we have the unit or units to accommodate everyone in attendance. Choose from a variety of options, including basic, flush, handicap-accessible, and family-friendly units.

Handicap-Accessible

Family-Friendly

Portable restrooms at private parties can help to offer additional options to your guests or redirect unwanted traffic in your home.

From a satisfied customer:

"DeJong Septic provides exceptional service! Every year I have an outdoor get together and every year I rent my port-a-potty from DeJong.

Reasonable prices and exceptional service; haven't been done wrong yet. Highly recommend!"
